La Revolución mexicana: Miradas desde Europa (Trans-Atlántico / Trans-Atlantique) (Spanish Edition)

La Revolución mexicana: Miradas desde Europa (Trans-Atlántico / Trans-Atlantique) (Spanish Edition)

Este volumen tiene como objetivo revisar algunos puntos de vista que han circulado en los países europeos acerca de la Revolución mexicana. La primera sección del libro trata de la historia y de la prensa en Bélgica, España, Francia y Noruega. Demuestra de qué manera las interpretaciones con relación a la Revolución mexicana han sido influenciadas por la política nacional y las relaciones de fuerzas europeas.

En la segunda sección, dedicada a temas literarios y más específicamente a novelas de D. H. Lawrence, Álvaro Pombo y B. Traven, se ilustra que los novelistas pueden incluir versiones divergentes e incluso contradictorias sobre la Revolución en un mismo texto.

Por último, la tercera parte que trata de literatura juvenil, cómics y cine permite afirmar que la Revolución mexicana es un terreno fértil para la creación de mitos que, a corto plazo, llegaron a fijar las imágenes más estereotipadas del acontecimiento.
