English learners are the fastest growing student population in the United States. Many of these students are placed in classrooms with teachers who lack the preparation to help culturally and linguistically diverse children excel. This book helps bridge the gap between students' needs and teachers' preparation, offering an overview of English learners and practitioner-focused strategies for -curriculum and planning, -reading instruction, and -oral-language and writing development. You'll discover ways to help English learners develop the language and literacy skills necessary for success in today's standards-based classrooms.

The International Reading Association is the world's premier organization of literacy professionals. Our titles promote reading by providing professional development to continuously advance the quality of literacy instruction and research.

Research-based, classroom-tested, and peer-reviewed, IRA titles are among the highest quality tools that help literacy professionals do their jobs better.
