Return to where it all began—the romance, the friendships, the community, the warmth and laughter of Susan Mallery's New York Times bestselling series Fool's Gold.

Nestled in the foothills of the Sierra Nevada mountains, Fool's Gold, California, is a charming town like no other, where newcomers and locals alike find endless—if unconventional—opportunities to fall in love.

From Charity Jones, a city planner hired to create jobs that will keep the town's men from moving away, to Liz Sutton, still trying to shed the stigma of being the girl from the wrong side of the tracks, and Pia O'Brian who, despite having a disastrous romantic track record and the parenting skills of a hamster, has inherited three frozen embryos, Fool's Gold is overflowing with quirky characters, passionate moments and heartfelt emotion.

Offered here for the first time in collection form, the first Fool's Gold trilogy—plus the bonus novella *Sister of the Bride*—is the perfect opportunity to discover some new, lifelong friends.
