The Transit of Venus

Shirley Hazzard

The Transit of Venus Shirley Hazzard

The Transit of Venus is considered **Shirley Hazzard**'s most brilliant novel. It tells the story of two orphan sisters, Caroline and Grace Bell, as they leave Australia to start a new life in post-war England. What happens to these young women--seduction and abandonment, marriage and widowhood, love and betrayal--becomes as moving and wonderful and yet as predestined as the transits of the planets themselves.

Gorgeously written and intricately constructed, Hazzard's novel is a story of place: Sydney, London, New York, Stockholm; of time: from the fifties to the eighties; and above all, of women and men in their passage through the displacements and absurdities of modern life.

From reader reviews:

Kelly Cohn:

In other case, little folks like to read book The Transit of Venus. You can choose the best book if you'd prefer reading a book. As long as we know about how is important some sort of book The Transit of Venus. You can add knowledge and of course you can around the world with a book. Absolutely right, due to the fact from book you can realize everything! From your country till foreign or abroad you will end up known. About simple point until wonderful thing you may know that. In this era, you can open a book or even searching by internet product. It is called e-book. You need to use it when you feel uninterested to go to the library. Let's learn.

Lisa Shumaker:

What do you consider book? It is just for students because they are still students or that for all people in the world, the actual best subject for that? Merely you can be answered for that concern above. Every person has distinct personality and hobby for every other. Don't to be forced someone or something that they don't wish do that. You must know how great along with important the book The Transit of Venus. All type of book is it possible to see on many sources. You can look for the internet sources or other social media.

Michelle Fulk:

As people who live in the actual modest era should be upgrade about what going on or info even knowledge to make these people keep up with the era and that is always change and move forward. Some of you maybe will probably update themselves by reading books. It is a good choice in your case but the problems coming to an individual is you don't know what kind you should start with. This The Transit of Venus is our recommendation to cause you to keep up with the world. Why, as this book serves what you want and want in this era.

Angela Bauer:

Your reading sixth sense will not betray you, why because this The Transit of Venus reserve written by well-known writer who knows well how to make book that may be understand by anyone who read the book. Written within good manner for you, leaking every ideas and writing skill only for eliminate your personal hunger then you still skepticism The Transit of Venus as good book not merely by the cover but also by the content. This is one guide that can break don't judge book by its deal with, so do you still needing one more sixth sense to pick this specific!?! Oh come on your reading through sixth sense already told you so why you have to listening to another sixth sense.
