I'm a science fiction writer. This is a golden opportunity to get up to most any mischief imaginable. With this fourth collection of my stories, I'm going to prove this to you. With these words, Bruce Sterling—author of New York times Notable Books of the Year and one of the great names in contemporary fiction—introduces his latest collection of thirteen tales. If you're familiar with his cyberpunk creations you won't be disappointed, but these stories range far beyond the limits of future technology. Visionary in Residence takes the reader to places never imagined and certainly where no one has ever been.
