The United States is a mission field in desperate need of the gospel. Somehow we have managed to lose sight of the prime directive given to us by Jesus to go and make disciples of all the nations. There is hope. We can still fulfill the great commission in this generation, but we will need to get back the power that spread the gospel across the globe in the first century. We will need to see multiplication of disciples occur among all those in the church. Cultivating a Life for God takes an in-depth look at a tool called Life Transformation Groups and explains how this tool can release the awesome power of multiplication in your Church.
