Handbook of Japanese Mythology (Handbooks of World Mythology)

Michael Ashkenazi

Handbook of Japanese Mythology (Handbooks of World Mythology) Michael Ashkenazi

Japanese gods, too numerous to count, are known collectively as *yaoyorozu-no-kamigami*--the eight million. They are the cast of a vast, complex mythology that encompasses two religions, three cultures, and three millennia, one whose ancient deities are still hard at work today.

Handbook of Japanese Mythology makes it easy to travel this vast yet little-known mythological landscape. The book reveals the origins of Japan's myths in the very different realms of Buddhism, Shinto, and folklore, and explores related mythologies of the Ainu and Okinawan cultures and recent myths arising from Japan's encounters with modernization. It then offers vivid retellings of the central Shinto and Buddhist myths, plus descriptions of major historical figures, icons, rituals, and events.

For students or long-time enthusiasts, it is the ideal guide for investigating Japanese reverence for the sun, the imperial family, and the virtues of purity and loyalty. Readers will also learn why sumo wrestlers stomp before each match, how a fussy baby creates thunder, why Japan has a god for soccer, and much more.

From reader reviews:

Eleanor Landa:

Book is usually written, printed, or highlighted for everything. You can understand everything you want by a e-book. Book has a different type. As you may know that book is important matter to bring us around the world. Next to that you can your reading ability was fluently. A reserve Handbook of Japanese Mythology (Handbooks of World Mythology) will make you to be smarter. You can feel far more confidence if you can know about almost everything. But some of you think that will open or reading some sort of book make you bored. It is far from make you fun. Why they might be thought like that? Have you seeking best book or suitable book with you?

Nannie Hand:

What do you regarding book? It is not important along with you? Or just adding material if you want something to explain what the one you have problem? How about your time? Or are you busy man? If you don't have spare time to complete others business, it is give you a sense of feeling bored faster. And you have free time? What did you do? Every individual has many questions above. The doctor has to answer that question simply because just their can do that. It said that about reserve. Book is familiar in each person. Yes, it is right. Because start from on guardería until university need this Handbook of Japanese Mythology (Handbooks of World Mythology) to read.

Rina Reese:

People live in this new time of lifestyle always aim to and must have the time or they will get lot of stress from both way of life and work. So , if we ask do people have extra time, we will say absolutely sure. People is human not a robot. Then we question again, what kind of activity are there when the spare time coming to you actually of course your answer may unlimited right. Then ever try this one, reading textbooks. It can be your alternative inside spending your spare time, the particular book you have read is definitely Handbook of Japanese Mythology (Handbooks of World Mythology).

Jackie Caldwell:

This Handbook of Japanese Mythology (Handbooks of World Mythology) is great publication for you because the content that is certainly full of information for you who also always deal with world and possess to make decision every minute. This particular book reveal it information accurately using great plan word or we can point out no rambling sentences within it. So if you are read that hurriedly you can have whole information in it. Doesn't mean it only provides straight forward sentences but tricky core information with attractive delivering sentences. Having Handbook of Japanese Mythology (Handbooks of World Mythology) in your hand like obtaining the world in your arm, information in it is not ridiculous a single. We can say that no e-book that offer you world in ten or fifteen minute right but this guide already do that. So , this really is good reading book. Hey there Mr. and Mrs. active do you still doubt this?
