On the Road with Hillary: A Behind-the-Scenes Look at the Journey from Arkansas to the U.S. Senate

Patrick S. Halley

Patrick S. Halley has had politics in his blood since he was a high school senior. But his life changed with a phone call in 1992 and an offer to work as a campaign advance man, setting up publicity and appearances for Hillary Rodham Clinton, then a presidential candidate's wife, a "secondary" in advance-man parlance. Little did he know that by saying yes, he would embark on a ten-year roller-coaster ride through the American political landscape.

On the Road with Hillary takes readers from President Clinton's successful 1992 presidential bid through two terms in the White House and Hillary Clinton's own victorious run for the Senate in 2000. Through Halley, the reader sees Hillary's multifaceted, sometimes misunderstood persona and often hilarious behind-the-scenes episodes. Filled with tidbits that only an advance man could know, trips to exotic locales across the globe, anecdotes involving who's who in recent Democratic history, and personal encounters with everyone from Fidel Castro to Ronald Reagan to Nelson Mandela, this is the ultimate book for political junkies and all of Hillary's admirers and detractors.
