Don't outlive your money!

This book is a beginner's guide to using technical analysis and options to protecting your retirement nest egg from the next bear attack. It is written for beginners but even seasoned investors may learn a few tricks, like how to implement a market crash protection insurance policy. Here are some of the things you will learn:

- Why crowd behavior is the reason technical analysis works
- How to recognize profitable chart patterns
- How to use Fibonacci retracements and Bollinger Bands
- The strategy behind two excellent market timing systems
- How to use options and ETFs to hedge your portfolio
- When volatility becomes your friend
- Using low cost options to protect against market crashes

This is the second book in the Sleep Soundly series. The first book was called "Supercharge Your Retirement Income" and showed you how to assemble a diversified nest egg that was uniquely suited to your specific needs. The focus of this second book is to show you how to protect that nest egg against unforeseen market forces.
