The Good Soldier: A Tale of Passion (Penguin Classics) Ford Madox Ford

When John Dowell and his wife befriend Edward and Leonora Ashburnham, they appear to be the perfect couple. He is a distinguished soldier and she is beautiful and intelligent. However, what lies beneath the surface of their marriage is far more sinister and their influence leads John into a tragic drama that threatens to destroy everything he cares about.

Ford Madox Ford wrote *The Good Soldier*, the book on which his reputation most surely rests, in deliberate emulation of the nineteenth-century French novels he so admired. In this way he was able to explore the theme of sexual betrayal and its poisonous after-effects with a psychological intimacy as yet unknown in the English novel.

(Book Jacket Status: Not Jacketed)
