### **Figure out Exactly What The Illuminati Is**

There is so much going on in the world today that it has become frightening. War, famine, disease, and chaos seems to have taken over. Could there be something or someone behind all the political infighting, high insurance premiums, economic breakdowns with people losing their homes, and the hype the news media has been putting on all of it. There is an answer to that question, and that answer is the Illuminati. The Illuminati is real and more and more is coming out about the secret society; as well as other secret societies that branch off from the Illuminati like the Freemasons, and the Shriners.

The reality of a one world government is slowly approaching and the Illuminati is looking to eliminate the “average citizen” and bring about whole world change via their billion dollar empires.

There are 13 ruling families that govern the Illuminati along with many other prominent families that rule under them in every industry imaginable.
