The Sun Also Rises: The Hemingway Library Edition

Ernest Hemingway

The Sun Also Rises: The Hemingway Library Edition Ernest Hemingway

This new edition celebrates the art and craft of the quintessential story of the Lost Generation. Presented by the Hemingway family with supplementary material from the Hemingway Collection at the John F. Kennedy Library, this edition provides readers with wonderful insight regarding Hemingway's first great literary masterpiece.

The Sun Also Rises is a classic example of Hemingway's spare but powerful writing style. A poignant look at the disillusionment and angst of the post-World War I generation, the novel introduces two of Hemingway's most unforgettable characters: Jake Barnes and Lady Brett Ashley. The story follows the flamboyant Brett and the hapless Jake as they journey from the wild nightlife of 1920s Paris to the brutal bullfighting rings of Spain with a motley group of expatriates. It is an age of moral bankruptcy, spiritual dissolution, unrealized love and vanishing illusions. First published in 1926, *The Sun Also Rises* is "an absorbing, beautifully and tenderly absurd, heartbreaking narrative...a truly gripping story, told in lean, hard, athletic prose" (*The New York Times*).

This new Hemingway Library Edition celebrates Hemingway's classic novel with a personal foreword by Patrick Hemingway, the author's sole surviving son, and a new introduction by Sean Hemingway, grandson of the author. Hemingway considered the extensive rewriting that he did to shape his first novel the most difficult job of his life. Early drafts, deleted passages, and possible titles included in this new edition elucidate how the author achieved his first great literary masterpiece.

From reader reviews:

Bonnie Boyd:

Throughout other case, little persons like to read book The Sun Also Rises: The Hemingway Library Edition. You can choose the best book if you love reading a book. As long as we know about how is important a book The Sun Also Rises: The Hemingway Library Edition. You can add information and of course you can around the world by just a book. Absolutely right, mainly because from book you can understand everything! From your country until foreign or abroad you may be known. About simple point until wonderful thing you are able to know that. In this era, we are able to open a book or perhaps searching by internet device. It is called e-book. You should use it when you feel bored to go to the library. Let's examine.

Timothy Williams:

What do you concerning book? It is not important along? Or just adding material if you want something to explain what the ones you have problem? How about your extra time? Or are you busy man or woman? If you don't have spare time to accomplish others business, it is make one feel bored faster. And you have time? What did you do? All people has many questions above. They have to answer that question since just their can do this. It said that about reserve. Book is familiar in each person. Yes, it is correct. Because start from on pre-school until university need this particular The Sun Also Rises: The Hemingway Library Edition to read.

Grant Rickard:

Spent a free the perfect time to be fun activity to complete! A lot of people spent their leisure time with their family, or their friends. Usually they doing activity like watching television, planning to beach, or picnic within the park. They actually doing ditto every week. Do you feel it? Will you something different to fill your current free time/ holiday? May be reading a book can be option to fill your free time/ holiday. The first thing that you'll ask may be what kinds of book that you should read. If you want to try out look for book, may be the book untitled The Sun Also Rises: The Hemingway Library Edition can be great book to read. May be it might be best activity to you.

Dorothy Saunders:

The reason why? Because this The Sun Also Rises: The Hemingway Library Edition is an unordinary book that the inside of the publication waiting for you to snap this but latter it will zap you with the secret the item inside. Reading this book adjacent to it was fantastic author who all write the book in such incredible way makes the content on the inside easier to understand, entertaining approach but still convey the meaning thoroughly. So , it is good for you because of not hesitating having this anymore or you going to regret it. This book will give you a lot of benefits than the other book get such as help improving your ability and your critical thinking method. So , still want to postpone having that book? If I were you I will go to the publication store hurriedly.
