Feedlots, Ranches, and Ropin El Jefe

The contents of this book are 40 years of working in the livestock industry. I've been involved in just about every phase of the cattle industry with working in feedlots, on ranches, and even 16 months in a large packing house. Along with this is a lifetime of rodeoing and jackpot ropins. The stories told here are short snippets of the day-to-day work and the people we worked for. I tried to maintain the vocabulary and the flavor of the day, so I hope the reader finds some entertainment here. I sure had fun writing it. A lot of the stuff here deals with the great cowboys and cowgirls I've crossed paths with . . . without them I wouldn't have anything to say. Enjoy!
