Psychoanalytic Terms and Concepts

Psychoanalytic Terms and Concepts

This is the first revised, expanded, and updated edition of *Psychoanalytic Terms and Concepts* since its third edition in 1990. It presents a scholarly exposition of English-language psychoanalytic terms and concepts, including those from all contemporary schools of theory and practice. Each entry starts with a brief definition that is followed by an explanation of the significance of the term/concept for psychoanalysis, its historical development, and the present-day controversies about best usage.
