Reading The Social Body

Catherine B. Burroughs

Reading The Social Body Catherine B. Burroughs

The overarching argument of *Reading the Social Body* is that the body is cultural rather than “natural.” Some of the essays treat the social construction of bodies that have actually existed in human history; others discuss the representation of bodies in artistic contexts; all recognize that everything visible to the human body—from posture and costume to the width of an eyebrow or a smile—is determined by and shaped in response to a particular culture.
