They say it's impossible to change the past... Since her magical summer romance at the age of sixteen, Sylvie Nichols has never been able to forget her first love. Years later, when she returns to the seaside town where she lost her heart to Ethan Foster, she is determined to lay the past to rest once and for all. But letting go becomes a challenge when Sylvie finds herself transported back to that long ago summer of love...and the turbulent events that followed. Soon, past and present begin to collide in strange and mystifying ways, and Sylvie can't help but wonder if a true belief in miracles is powerful enough to change both her past and her future....
