**If you're in chronic pain and you're not getting adequate relief from your treatment, this book is for you.** You don't have to "learn to live with your pain" or put up with unpleasant side effects from your medication. The good news is that there are treatments available that could safely cure your pain.

**This is a book that will change your life for the better. If you are one of the 116 million Americans in chronic pain , you will greatly benefit from reading this book.**

*The Truth About Chronic Pain Treatments* reviews the evidence for the safety and effectiveness of a wide variety of treatments, and reveals how organized medicine may be keeping you from getting the care you need and deserve. This comprehensive guide will help you avoid the treatments that don't work or are likely to cause harm and select the therapies that are most likely to promote healing.

Here are some things you will learn about in *The Truth About Chronic Pain Treatments*:

- \* Which drugs are likely to do more harm than good and which are the safest
- \* Why results from one common diagnostic test should never be a reason to have back surgery
- \* How your mind influences pain levels.
- \* How to use your brain to heal your pain
- \* The evidence for the safety and effectiveness of drug-free, nonsurgical treatments
- \* There is no one size fits all treatment and a multidisciplinary approach works best

When you read this book you will also learn how to use the following therapies to heal your pain:

- \* Biofeedback
- \* Psychotherapy
- \* Physical therapy
- \* Exercise
- \* Chiropractic treatment
- \* Nutrition and supplements
- \* Massage
- \* Acupuncture
- \* Herbs
- \* Homeopathy
- \* Energy medicine
- \* Marijuana
- \* Low level laser therapy
- \* Multidisciplinary pain treatment programs

Unlike most books on chronic pain treatment that advocate one specific treatment, *The Truth About Chronic Pain Treatments* provides information about a wide variety of therapies so that you can make informed decisions about what is best for you.

This essential pain management handbook also explains why you haven't heard more about the many safe, effective pain treatments that are available. It includes a legislative proposal, the Pain Treatment Parity Act, which would eliminate the barriers to pain patients getting safer and more effective care.
