## **The Cicero Anthology (Texts From Ancient Rome Book 11) Marcus Tullius Cicero**

The Cicero Anthology is a collection of the most acute and incisive works of one of the greatest and most celebrated orators in all of history.

Cicero is still celebrated to this day for his skills as a Roman Senator, rhetorician, orator, lawyer, and writer; and for the courage and conviction of his desperate efforts to preserve the Roman republic in the face of conspiracies and violence against the state.

The clear lucidity of his written insight has preserved the power of his voice through the ages, and a vast collection of his works have been brought together here in this Bybliotech Anthology.

This Anthology contains, "On Friendship", "On Old Age", "On Rhetoric", "On the nature of Good and Evil", "Academica", "On Topics", "On the Commonwealth", "Scipio's Dream", "The Letters", "The Philippics", "An Oratory Against Brutus", "The Tusculum Disputations", "On the Nature of the Gods", and "On Oratory".

This unexpurgated anthology has been compiled and optimised for e-readers. It includes an active table of contents for ease of navigation, and features unique illustrations as frontispieces for the individual books in the anthology
