The SAGE Handbook of Media Studies

The SAGE Handbook of Media Studies

The SAGE Handbook of Media Studies examines the theories, practices, and future of this fast-growing field. Editor John Downing and associate editors Denis McQuail, Philip Schlesinger, and Ellen Wartella have brought together a team of international contributors to provide a varied critical analysis of this intensely interesting field of study. **The Handbook** offers a comprehensive review within five interconnected areas: humanistic and social scientific approaches; global and comparative perspectives; the relation of media to economy and power; media users; and elements in the media mosaic ranging from popular music to digital technologies, from media ethics to advertising, and from Hollywood and Bollywood to alternative media.
