Know Your Enemy: Exposing Satan's Human Army D. Edward Tench

It is common knowledge that God has two armies and that one of them is angelic. We sometimes sing "Onward Christian Soldiers" which, of course, is about God's human army. It is less widely known that the enemy of God also has two armies, one demonic, and one human. The Bible has many warnings and insights about Satan's human army that the church rarely hears about. Biblical warnings exist because God wants us to both know about the human emissaries of darkness, and what to do with that knowledge. Satan's human army infiltrates, hides in and seeks to control virtually every facet of human society. Satan's impostors function in commerce and economics, government and entertainment, and even in the church itself. Conspiracy theorists would do well to understand that the gospel is THE story of humanity. Sometimes non-believers get a glimpse of these scoundrels, but they cannot accurately identify or effectively oppose them due to lack of spiritual insight. To them, Satan's top human operatives are often either criminals or alien hybrids masquerading as human beings. But all of history and all current events revolve around the conflict between the true God and the god of this age who is the devil. To understand what is going on in this world, we must understand that all humans are born into a war zone with spiritual dimensions. Good versus evil is not just a useful archetype for telling stories, it IS the story. Good prevails, evil loses. That's the nutshell of history.
