**RETALIATION (Bonfire Chronicles Book Three)** Imogen Rose

Ever since Bloody Fall, humans have lived in fear.

Even though the apparently senseless massacres have ended, President Elizabeth Ryan's administration has been under a cloud of disapproval for failing to bring the terrorists to justice.

She braces herself as a new spate of carnage is unleashed.

Cordelia and Faustine are recruited back into action as the supernatural agencies go on high alert. Has their nemesis re-emerged?
