Do you have a fancy camera that you don't know how to use? Are you frustrated that you spent so much money on your camera, and only know how to shoot on the automatic settings? Say NO to Auto has helped nearly 5,000 beginner-intermediate levels learn to shoot in manual settings with 3 basic steps. If you don't understand the difference between ISO, Aperture, and Shutter Speed and why they are important, you will know after flipping through this simple 24 page book filled with lots of color examples with camera settings underneath each image. Too many pages is too overwhelming. This book is short and simple and to the point basic. It's the perfect size to fit nicely in your camera bag to take out on excursions when you need it. Kristen shares the order in which she selects her settings, and simple tricks to remember each time you pull out your camera. Take beautiful pictures of your children, and fall in love with photography at the same time with the "a-ha" moments found in Say NO to Auto.
