Signature Killers

Robert D. Keppel and William J. Birnes

Signature Killers Robert D. Keppel and William J. Birnes

Signature killers leave telltale identifiers, their gruesome "calling cards," at the scene of their crimes. With brilliant detection, high-tech analysis--and a little luck--they can be caught. But what does the signature killer seek from victim to victim? The answers are hidden among the grisly evidence, the common threads that link each devastating act. Robert Keppel explores in unflinching detail the monstrous patterns, compulsions, and motives of this breed of killer. From the Lonely Hearts Killer who hunted the most desperate of women in 1950s America, to the savage Midtown Torso Murders that stunned the NYPD, to such infamous symbols of evil as Jeffrey Dahmer, Ted Bundy, and John Gacy, these are the cases--horrifying, graphic, and unforgettable--that Keppel ingeniously taps to shed light on the darkest corners of the pathological mind.

From reader reviews:

Clifford Ranger:

In this 21st centuries, people become competitive in every single way. By being competitive now, people have do something to make them survives, being in the middle of the actual crowded place and notice through surrounding. One thing that often many people have underestimated it for a while is reading. Sure, by reading a guide your ability to survive enhance then having chance to endure than other is high. In your case who want to start reading any book, we give you that Signature Killers book as nice and daily reading book. Why, because this book is more than just a book.

Misty Barrientos:

Information is provisions for anyone to get better life, information currently can get by anyone with everywhere. The information can be a know-how or any news even an issue. What people must be consider if those information which is inside former life are challenging to be find than now is taking seriously which one works to believe or which one the resource are convinced. If you receive the unstable resource then you have it as your main information it will have huge disadvantage for you. All those possibilities will not happen throughout you if you take Signature Killers as the daily resource information.

Walter Reeves:

The e-book untitled Signature Killers is the publication that recommended to you you just read. You can see the quality of the guide content that will be shown to a person. The language that creator use to explained their way of doing something is easily to understand. The author was did a lot of exploration when write the book, and so the information that they share to you personally is absolutely accurate. You also could get the e-book of Signature Killers from the publisher to make you more enjoy free time.

Barbara Wheat:

The reason? Because this Signature Killers is an unordinary book that the inside of the reserve waiting for you to snap the idea but latter it will zap you with the secret the idea inside. Reading this book adjacent to it was fantastic author who also write the book in such wonderful way makes the content interior easier to understand, entertaining approach but still convey the meaning entirely. So , it is good for you because of not hesitating having this any longer or you going to regret it. This phenomenal book will give you a lot of gains than the other book get such as help improving your talent and your critical thinking way. So , still want to hold up having that book? If I were being you I will go to the book store hurriedly.
