The Beatles In Mono Andrew Hickey

In The Beatles In Mono, Andrew Hickey examines, track by track, the Beatles' work as it was originally created, in mono. Going through the 2009 The Beatles In Mono box set, he looks at the band's influences, their musical techniques, and the progression of their career from Love Me Do through to Get Back. As a bonus, this edition also contains appendices giving brief overviews of the stereo-only material the band recorded, as well as 'non-canon' albums like the Anthology series, Live At The Bbc and Liverpool Sound Collage. A splendid time is guaranteed for all!
