The Collected Poems of W.B. Yeats

William Butler Yeats

The Collected Poems of W.B. Yeats William Butler Yeats

The Collected Poems of W. B. Yeats includes all of the poems authorized by Yeats for inclusion in his standard canon. Breathtaking in range, it encompasses the entire arc of his career, from luminous reworkings of ancient Irish myths and legends to passionate meditations on the demands and rewards of youth and old age, from exquisite, occasionally whimsical songs of love, nature, and art to somber and angry poems of life in a nation torn by war and uprising. In observing the development of rich and recurring images and themes over the course of his body of work, we can trace the quest of this century's greatest poet to unite intellect and artistry in a single magnificent vision.

Revised and corrected, this edition includes Yeats's own notes on his poetry, complemented by explanatory notes from esteemed Yeats scholar Richard J. Finneran. *The Collected Poems of W. B. Yeats* is the most comprehensive edition of one of the world's most beloved poets available in paperback.
