"Queen of the Undead, Carrie Ryan, takes readers once again to the world of The Forest of Hands and Teeth." -- SCHOOL LIBRARY JOURNAL on "Bougainvillea."

From a life raft cast adrift in the middle of the ocean to the attic of a suburban garage; from the heart-pounding moments just after the dead begin to rise, to the ravaged world generations later, the five stories in The Dead and Empty World present a chilling portrait of what it takes to survive – or not – the zombie apocalypse.

This 39,000 word collection contains five previously published stories and never before published bonus materials, including background information on each story, easter eggs, and an essay detailing the inspiration for the Forest of Hands and Teeth.
