Donald Joralemon

**Exploring Medical Anthropology** Donald Joralemon

**This widely adopted text is a concise and engaging introduction to the field that presents competing theoretical perspectives in a balanced fashion, highlighting points of conflict and convergence.**

Written in an accessible, jargon-free language, *Exploring Medical Anthropology's* concise length leaves room for instructors to supplement it with monographs of their own choosing. Concrete cases and the author's personal research experiences are utilized to explain some of the discipline's most important insights; such as that biology and culture matter equally in the human experience of disease and that medical anthropology can help to alleviate human suffering. An extensive glossary facilitates student learning of concepts and terms, while a list of suggested readings at the end of each chapter and an extensive bibliography encourage further exploration.
