The Persistence of Memory: Actors Edition Mark David Major

Always, the past endures... Twenty years ago, Mark David Major (author of Mars Rising) wrote three plays in a burst of creative activity over a three-year period. The first of these plays, *The Persistence of Memory*, premiered during a short, successful run at a historic St. Louis area theatre in May 1992. Twenty years later, the author revisited and updated these plays so they could be discovered by a new generation of readers and patrons of the theatre in *The Persistence of Memory and Other Plays*. This large-text format edition of *The Persistence of Memory* including character studies and a playwright's commentary is specifically designed for actors, directors, and theatre companies. The plays of Mark David Major perfectly embody the didactic nature of Generation X at its best and worst on the themes of romantic love and emotional honesty. It is characterized by a purity of perspective tinted with a cynicism wise beyond its years and a raw emotionalism carefully veiled under a mask of social indifference. These plays give voice to an entire generation, the children of a revolution...

From reader reviews:

Robert Arnett:

What do you concerning book? It is not important to you? Or just adding material when you want something to explain what your own problem? How about your time? Or are you busy man or woman? If you don't have spare time to try and do others business, it is make you feel bored faster. And you have time? What did you do? Every individual has many questions above. They have to answer that question simply because just their can do that will. It said that about book. Book is familiar in each person. Yes, it is appropriate. Because start from on kindergarten until university need that The Persistence of Memory: Actors Edition to read.

Fred Dean:

Information is provisions for folks to get better life, information currently can get by anyone in everywhere. The information can be a expertise or any news even restricted. What people must be consider whenever those information which is inside the former life are difficult to be find than now is taking seriously which one works to believe or which one the resource are convinced. If you obtain the unstable resource then you buy it as your main information you will have huge disadvantage for you. All of those possibilities will not happen throughout you if you take The Persistence of Memory: Actors Edition as your daily resource information.

Robert Wallace:

The reason? Because this The Persistence of Memory: Actors Edition is an unordinary book that the inside of the publication waiting for you to snap this but latter it will distress you with the secret this inside. Reading this book next to it was fantastic author who also write the book in such incredible way makes the content within easier to understand, entertaining means but still convey the meaning thoroughly. So , it is good for you because of not hesitating having this nowadays or you going to regret it. This book will give you a lot of benefits than the other book possess such as help improving your ability and your critical thinking method. So , still want to hesitate having that book? If I ended up you I will go to the publication store hurriedly.

Violet Jarrell:

Reading a book to be new life style in this 12 months; every people loves to go through a book. When you study a book you can get a great deal of benefit. When you read textbooks, you can improve your knowledge, since book has a lot of information into it. The information that you will get depend on what forms of book that you have read. If you want to get information about your research, you can read education books, but if you want to entertain yourself look for a fiction books, these kinds of us novel, comics, and soon. The The Persistence of Memory: Actors Edition provide you with a new experience in reading through a book.
