108 Sanskrit Flash Cards

These flashcards have been designed for those who want to correctly read, pronounce and alphabetize letters and words in the Devanaagari script of Sanskrit. The ability to read the original script is essential for correct pronunciation. There are 108 colored flashcards and 6 cream cards that surround them, containing reference information.

Card Features

All cards show the Devanaagari on the front and transliteration on the back, including all card numbers. Reference cards (white) include an introductory verse, a mouth position diagram, the alphabet, vowel abbreviations, digits 0-9 and Vedic accent marks.

Professionally printed on color coded recycled 80# cardstock cut to 3x4 inches

2 different sort orders - progressive and alphabetic (for dictionary practice)

Includes all non-obvious unique ligatures and letter variations

Sanskrit example on almost every card

Position of the letters in the alphabet is shown graphically on every card

How to write each character, showing arrowed lines numbered for stroke order

Compact Disc Features

12 tracks:

Chant to Ganesha; Chant to the Heart; Introduction; Vowels and Special Letters; Punctuation; Consonants; Consonant/Vowel combinations; Compound Consonants; Words; Numbers; Alphabet - Guided chant; Alphabet - Chanted continuously

To promote correct pronunciation only Sanskrit examples are pronounced. All sounds and examples are repeated twice with space for the student to pronounce. This gives a total of 4 sound impressions per card.
