Brief Interviews with Hideous Men

David Foster Wallace

Brief Interviews with Hideous Men David Foster Wallace

David Foster Wallace made an art of taking readers into places no other writer even gets near. The series of stories from which this exuberantly acclaimed book takes its title is a sequence of imagined interviews with men on the subject of their relations with women. These portraits of men at their most self-justifying, loquacious, and benighted explore poignantly and hilariously the agonies of sexual connections.
