*Set the fireflies free. Send them home before God cleanses the world.*

Homicide cop, Michael Callahan sees death everywhere. During the day, he protects the city from evil. At night — he is the evil. He hears the hopeless pleas, feels the last breath of the victims. He sees life fade away through the eyes of the killer. In his dreams, Michael is the killer.

But it's just dreams. Right?

The internal struggle of protector versus killer refuses to stay hidden when the dreams become reality. A serial killer, who calls himself Murmur, stalks the streets of North Carolina, searching for the "fireflies." Michael knows the victims all too well — he's killed them in his dreams.

Riddled with doubt and growing suspicions from his partner, Michael is determined to put an end to the terror — even if it means an end to himself.

Chasing Fireflies is the first book in the James Beamer Thriller Series. While each book serves as a stand alone novel, reading them in the following order is suggested.
