**Introduction to Communication Disorders: A Lifespan Evidence-Based Perspective (4th Edition) (Allyn & Bacon Communication Sciences and Disorders)** Robert E. Owens Jr., Dale Evan Metz, Kimberly A. Farinella

Comprehensive yet compact and user-friendly, the fourth edition of *Introduction to Communication Disorders* takes a unique lifespan perspective that enables students to focus both on disorders and also on how these disorders impact on the lives of individuals. Through case studies, technical illustrations, best practices boxes, and other features, each chapter describes a specific disorder, related assessment, and applicable intervention methods – all with a foundation in evidence-based practices.

More than a simple catalog of communication disorders, this relaxed and readable introductory text illustrates each chapter with a detailed case study. In addition, the new and completely revised fourth edition of this book has been updated to include new features, new research, and new material.

## **New to this Edition:**

A **redesigned companion website** is now more user-friendly and better helps students learn the material included in the text and explore additional websites of interest.
