**The Hidden Evils of the Biligramite Cult: Shockingly, Billy Graham is Dead Wrong** Eric Demaree  
Billy Graham Has Made a Deadly Mistake Billy Graham is sincere, he has a resounding voice and he has rugged good looks. But since millions act as if Billy is infallible, his one fatal mistake, telling everyone to "Go to church," is devastating. Billy's directive is the opposite of going to God! Billy's proselytes, who have complete faith in his directive, have made churchgoing a self-purification ritual. Consequently, their fanaticism has many grim implications. The most glaring implication is that due to the fact biligramites have overwhelmed Christianity, religious terrorists remain Biblically unopposed. Biligramites have given religious terrorists a blank check in recruiting personnel to their cause. Their idiocy enables religious terrorists to maintain their false certainty that they are serving the Creator when they murder innocents. Even biligramite theologians have no ammunition at all in the "war of ideas" with religious terrorists. As long as we allow biligramite legalisms and idiocies to overwhelm Christianity we will not defeat religious terrorism! This book goes on to reveal many other unexpected examples of how the unreasonable religious legalism of biligramism devastates spiritual joy!
