Manifest Your Destiny: Nine Spiritual Principles for Getting Everything You Want, The Wayne W. Dyer

Dr. Wayne Dyer is an extraordinary sensor of what people want -- and he moves with the ever-changing times. He lasered in on the heart of the spiritual with *Real Magic* and embraced individual sacredness with *Your Sacred Self*. Now, in this enlightening new work, he takes these concepts one step further -- to an even more personal level -- to focus on meditation and manifesting what you want.

Manifest Your Destiny teaches the process of meditation as a way to streamline your thoughts, desires, goals, and, ultimately, your life. All of us struggle with built-in societal barriers to our inner potential. For instance, when we fall into a dream state (either in real sleep or in a daydream), we conceive of goals and desires that are more spectacular than those we entertain when "awake" -- yet we always wake up thinking, "I can't do that." It is this conditioned limitation that Dyer now shows everyone how to overcome. Through the art of meditation, and his own remarkable Nine Spiritual Principles of Manifesting, which are covered in-depth in this invaluable guide. Dyer illuminates the path to achieving our truest and greatest goals -- and experiencing all of life's wondrous rewards.
