#### **James Harris:**

Reading a publication tends to be new life style in this particular era globalization. With studying you can get a lot of information that could give you benefit in your life. Along with book everyone in this world can certainly share their idea. Books can also inspire a lot of people. Lots of author can inspire all their reader with their story or even their experience. Not only the story that share in the books. But also they write about the data about something that you need case in point. How to get the good score toefl, or how to teach your kids, there are many kinds of book which exist now. The authors these days always try to improve their talent in writing, they also doing some analysis before they write for their book. One of them is this Storm and other Old English Riddles.

#### **Cathy Kerby:**

As a university student exactly feel bored for you to reading. If their teacher requested them to go to the library in order to make summary for some e-book, they are complained. Just little students that has reading's internal or real their leisure activity. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that reading is not important, boring as well as can't see colorful photos on there. Yeah, it is for being complicated. Book is very important for

yourself. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this Storm and other Old English Riddles can make you experience more interested to read.
