There are three Muslims; a Nigerian, a Chechen and an American. The three men live on different continents, speak different languages, and are each members of another race, their ancestral histories are unrelated, yet they all kill for the same reason. Charles Martel, author of Satan's Trinity, Hitler, Stalin, Muhammad and Lawrence of Arabia: As You Never Saw It offers the reader a ready reference of over 100 Koran verses which explains why our three Muslims kill. The Koran is believed to be the revealed, "uncreated", eternal word of Allah. Muslims believe the book is forever and the words can never be changed. Although it took over a century for the book to be written Muslims believe it has existed, in fact, forever. Be not deceived and arm yourself with the words of the threat. When there are discussions regarding peace, calls for restraint and understanding, deliberations counseled by reason be informed so as not to be fooled. When a Truth-Teller references a surah (chapter) and verse in the Koran the reader would have at hand this useful booklet for instant accountability.
