The Rhett Boxset (Rhett and Rhett in Love) J. S. Cooper

The Rhett Boxset includes Rhett and Rhett in Love.

Rhett

I'm Rhett.

I'm cocky because I can be. I've got it all: the looks, the money, the endurance. I'm the guy that every girl wants to be with, yet none of them have ever been able to tie me down.

I don't do love. I don't do relationships. And I sure as hell will never do marriage.

I'm all about the fast life and everything that entails. There's a different woman in my bed every week. My friends are jealous of me. My enemies envy me. Everyone wants my life. And everything in my life is absolutely perfect. At least, that's what everyone thinks.

Everything changed the day, Clementine O'Hara told me she was moving away. She's my best friend. She was my first kiss in grade school. We share everything with each other. She's the only girl I haven't tried anything with because she's off-limits to me and my friends. Only, suddenly I'm seeing her in a different light.

I'm Rhett and I don't let anything get me down. Then one night changed everything and everything I thought I knew was called into question. All of a sudden, being Rhett didn't mean so much anymore. All of a sudden my friendship with Clementine was in jeopardy and I wasn't sure what I was going to do.

Rhett in Love is the sequel to the New York Times Bestseller Rhett, but can be read as a standalone book.

Rhett Madison and Clementine O'Hara were best friends for years before they decided to give dating a shot. Everyone around them thought they were perfect for each other, but neither one of them realized just how much their relationship would change once they got together.

They'd only been dating for a couple of months when they decided to move across the country and live together. Neither one of them were prepared for all the trials and tribulations they would face as a new couple living in sin, as Clementine's Nanna called it.

Rhett's still acting like he's a bachelor and Clementine's not sure if going from friends to lovers was the best decision they ever made. So they decide to enroll in a relationship course to see if they are meant to be together. Only it seems like Rhett's more interested in the passionate side of their relationship, as opposed to the deeper more emotional side.

Hilarity and chaos ensues when Tomas comes to visit and Rhett and Clementine are both faced with questions that could change their relationship status once again. Neither one knows what's going to happen, but no-one ever said that the pathway from friends to lovers was going to be an easy one.
