The SAGE Handbook of Organizational Research Methods

The SAGE Handbook of Organizational Research Methods

The SAGE Handbook of Organizational Research Methods provides a rich resource for organizational researchers, locating the technical aspects of organizational research in the wider context of the relevant personal, epistemological, theoretical, historical, ethical, and political issues. David Buchanan and Alan Bryman have gathered together many of the world's leading writers on theory, method, and analysis in organizational research and have made this the most comprehensive and cutting-edge volume in this ever-growing field.
