Afterthoughts & Hand Grenades Emerson Christian

This collection of work was written over the course of three years. Throughout this time, there have been many trials, tribulations, and difficulties, not only in Emerson's personal life but in his development as a writer as well. From the emotional depths that have been reached throughout those trying years is this; his first book, Afterthoughts and Hand Grenades. Emerson has made many mistakes in his life, probably most of the mistakes a young man can make were made by him and due to this fact he is in a great amount of debt. By purchasing the work to your left not only will you be supporting him but also all of his creditors, loan sharks, and a various assortment of unsavory characters to whom he owes money. . .Sallie Mae and the IRS greatly appreciate you as well. . . Another one of those mistakes he's made is writing this bio/description in the third person. . .so with that being said. . . I would like to personally apologize for that inconvenience and also say thank you for all of your support.
