Anybody Can Slow Dance Thomas Murrel

Caroline Cain Webster finally escapes from a loveless marriage and seeks happiness and healing in Destin, Fla. Her realtor, Raymond Ponder, is attracted to her, but he has a violent side that frightens her. One night, Caroline is awakened from a deep sleep. A man stands at the foot of her bed. He has come in from the gulf and has entered her beach house. Melendez has been shot and pleads for her help. The man is part of an international killing team known as the Fleur di Lis. He has stolen a great deal of money from them and they want it back. Raymond is called in to help and confesses that he was once part of an American intelligence squad called the Pale Green Horsemen. Melendez, the wounded man, gives the couple directions of how to locate what he has stolen, a great amount of money and by hiding him, Caroline and Raymond also become the preys of the Fleur de Lis, headed by Andre Lafleur and his violent second in command, Rauol Santana. Melendez later dies and Caroline and Raymond begin a cross-country race with the Fleur de Lis in pursuit. The reader will enjoy the chase and the exciting conclusion when a mistreated woman finally gets her revenge.
