Brigham Young: A Concise Biography of the Mormon Moses

Ed Breslin

Brigham Young: A Concise Biography of the Mormon Moses Ed Breslin

He was a carpenter. A visionary. A governor. A prophet. A pioneer. A preacher. A businessman. A temple-builder.

Brigham Young loomed large in a tumultuous time. He helped found the state of Utah in the era of American Manifest Destiny. He rallied thousands around Mormonism, a new faith with powerful detractors who tried to stamp it out in the towns and villages where its communities sprang up. With barely a dozen days of formal education under his belt, he left a legacy of writings, letters and sermons that continue to enrich the study of the Mormon Church and the era of American Western expansion.

In *Brigham Young*, Ed Breslin distills Young's larger-than-life story into a concise, readable biography that focuses on his most critical moments and achievements. Unlike other biographies, Breslin's account neither whitewashes nor sensationalizes Brigham Young's controversial life. *Brigham Young* is the perfect primer on Young's vast and complicated legacy.
