Celebrity in Death

J. D. Robb

Celebrity in Death J. D. Robb

#1 *New York Times* bestselling author J.D. Robb knows that some roles are to die for...

Lieutenant Eve Dallas is no party girl, but she's managing to have a reasonably good time at the celebrity-packed bash celebrating *The Icové Agenda*, a film based on one of her famous cases. It's a little spooky seeing the actress playing her, who looks as though she could be her long-lost twin. Not as unsettling, though, as seeing the actress who plays Peabody—drowned in the lap pool on the roof of the director's luxury building.

Talented but rude and widely disliked, K.T. Harris made an embarrassing scene during dinner. Now she's at the center of a crime scene—and Eve is more than ready to get out of her high heels and strap on her holster to step into the role she was born to play: cop.
