Mary Ann Evans (1819-1880), born Mary Ann Evans, known by her pen name George Eliot, was an English novelist, journalist, translator. She is one of the leading writers of the Victorian era. She is the author of novels set in provincial England and known for their realism, psychological insight, humanist vision and strong heroines. She used a male pen name, she said, to ensure her works would be taken seriously. Female authors were published under their own names during Eliot's life, but she wanted to escape the stereotype of women only writing lighthearted romances.

These enthralling novels are must-read of English classic literature and will delight readers of all ages.
