Smart Kids with Learning Difficulties: Overcoming Obstacles and Realizing Potential Rich Weinfeld, Sue Jeweler, Linda Barnes-Robinson, Betty Roffman Shevitz

The second edition of *Smart Kids With Learning Difficulties* is an updated and comprehensive must-read for parents, teachers, counselors, and other support professionals of bright kids who face learning challenges every day. This practical book discusses who these students are; how to identify them; what needs to be implemented; best practices, programs, and services; and specific actions to ensure student success. Along with tools and tips, each chapter includes Key Points, a new feature that will help focus and facilitate next steps, and desired outcomes and follow-up for parents and teachers. The new edition includes a look at current definitions of twice-exceptional students, updated research findings and identification methods, a detailed description of the laws and policies impacting this population, what works and what doesn't work, model schools, Response to Intervention, Understanding by Design, comprehensive assessments, social-emotional principles, and new assistive technology.
