The Second Voyage of the Mimi Samuel Y. Gibbon

This book includes 12 units that have been adapted from the television series "Voyage of the Mimi." Each unit includes the episode, an activity, and an expedition. The episodes introduce and accompany each episode of the television series. The activity is an extension of that episode which can be done in the classroom. Mapping skills, foreign languages, cultural awareness, marine biology, scuba diving and pressure changes, archaeology, secret messages using polar coordinates, insects, and writing journals are topics covered in activities. Expeditions relate aspects of the taping of the show or a person who worked for the company. A glossary of terms used in the series is included.
