*Edward Lucas*

## **The New Cold War: Putin's Russia and the Threat to the West** Edward Lucas

The first edition of *The New Cold War* was published to great critical acclaim. Edward Lucas has established himself as a top expert in the field, appearing on numerous programs, including Lou Dobbs, MSNBC, NBC Nightly News, CNN, and NPR.

Since *The New Cold War* was first published in February 2008, Russia has become more authoritarian and corrupt, its institutions are weaker, and reforms have fizzled. In this revised and updated third edition, Lucas includes a new preface on the Crimean crisis, including analysis of the dismemberment of Ukraine, and a look at the devastating effects it may have from bloodshed to economic losses. Lucas reveals the asymmetrical relationship between Russia and the West, a result of the fact that Russia is prepared to use armed force whenever necessary, while the West is not. Hard-hitting and powerful, *The New Cold War* is a sobering look at Russia's current aggression and what it means for the world.
