The Templars: History and Myth: From Solomon's Temple to the Freemasons Michael Haag

An order of warrior monks founded after the First Crusade to protect pilgrims to Jerusalem, the Templars developed into one of the wealthiest and most powerful bodies in the medieval world. Yet two centuries later, the Knights were suddenly arrested and accused of blasphemy, heresy and orgies, their order was abolished, and their leaders burnt at the stake. Their dramatic end shocked their contemporaries and has gripped people's imaginations ever since. This new book explains the whole context of Templar history, including, for the first time, the new evidence discovered by the Vatican that the Templars were not guilty of heresy. It covers the whole swathe of Templar history, from its origins in the mysteries of Solomon's Temple in Jerusalem through to the nineteenth century development of the Freemasons. The book also features a guide to Templar castles and sites, and coverage of the Templars in books, movies and popular culture, from "Indiana Jones" to the Xbox360 game Assassin's Creed.

If you enjoy the book you read you can spent all day long to reading a e-book. The book The Templars: History and Myth: From Solomon's Temple to the Freemasons it is quite good to read. There are a lot of folks that recommended this book. These were enjoying reading this book. Should you did not have enough space to deliver this book you can buy typically the e-book. You can m0ore very easily to read this book from the smart phone. The price is not very costly but this book possesses high quality.

Flor Rieke:

As a student exactly feel bored to help reading. If their teacher inquired them to go to the library in order to make summary for some e-book, they are complained. Just small students that has reading's heart or real their pastime. They just do what the professor want, like asked to go to the library. They go to at this time

there but nothing reading critically. Any students feel that reading through is not important, boring and can't see colorful pics on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this The Templars: History and Myth: From Solomon's Temple to the Freemasons can make you experience more interested to read.
