Handbook of Transdisciplinary Research

Handbook of Transdisciplinary Research

Transdisciplinary Research (TR) is an emerging field in the knowledge society for relating science and policy in addressing issues such as new technologies, migration, and public health. This handbook provides a structured overview of the manifold experiences gained in these fields. In the first part, 21 projects from all over the world present their research approaches. In the second part, cross-cutting challenges of TR are discussed in reference to the same projects.
