Heaven Can't Wait Jai Ellis

My name is Heaven. Don't ask me why my mama named me that cuz I couldn't tell you. It seems like my life has been one hellish event after another, but I'm a fighter so I know I can get through anything. Well, that's what I used to think until I found myself torn between two men and faced with making a decision between life and death. I know what you're thinking, another love triangle, but believe me this is anything but a love triangle. Who knew that one bad decision could result in so much hate, violence and destruction? In the end, I just may have to walk through hell one last time. The only thing is, I'm not sure I'll make it out this time.
