Jack The Ripper: The Satanic Team Karen Trenouth

"Jack the Ripper: The Satanic Team" is the continuation of my first book, "Epiphany of the Whitechapel Murders." These two books represent the actual solution to the unsolved murders committed by "Jack the Ripper." Between the pages of the two books, I will present to the reader the real name of "Jack the Ripper", complete with matching handwriting samples, and photographic evidence which reveals, beyond a shadow of a doubt, the identity of one of his murderous accomplices, who committed the last murder during the Autumn of Terror, 1888. Jack the Ripper was an Edinburgh-trained Surgeon, who was assisted by five Aristocrats, including Prince Albert Victor.
